Re: COVID-19 Vaccine

Thank you for everything that you do to keep our members and your coworkers healthy. Receiving the COVID-19 vaccine is an important step to prevent getting sick with the virus. RFYP cares about your health, as you are on the front lines taking care of our members.

Because you are an essential worker, you are among the first to be offered the vaccine. Getting vaccinated now will help protect you and the members as they may be at risk for a severe illness caused by COVID-19.

We received notification that the Johnson County Public Health is now allowing essential workers to receive the vaccine. Towncrest Pharmacy will administer the vaccine for our employees and members, just as they did for the flu vaccine, although the process will be different.

There is no charge for the COVID-19 vaccine. If you have prescription insurance, this will cover the cost of the vaccination. If you do not have insurance, there is a government program that will cover the cost of the vaccination. Towncrest Pharmacy will apply for the government program on your behalf. Either way there will be no cost to you.

We understand that you may have questions about the vaccine. COVID-19 vaccines are held to the same safety standards as all other vaccines. You may have some side effects such as pain at the injection site, fever, and chills. We also provided a link to the Moderna website for further information on their vaccine.

**LINK for Moderna:** [www.modernatx.com/covid19vaccine-eua](http://www.modernatx.com/covid19vaccine-eua)

It is important that we ensure that staff receive their vaccines at staggered time. A member of administration will contact you to assist with scheduling your appointment.

COVID-19 vaccines are an important tool to help stop the pandemic. We believe it is vital you receive the vaccine, so RFYP will give you a \$200 bonus within two pay periods of receiving the second dose of the vaccine. We appreciate all that you are doing to help keep our members safe. If you have any questions, please do not hesitate to reach out to us.

A member of admin will contact you to assist with scheduling of your appointment.

By getting vaccinated you can serve as a role model to members, coworkers, friends and family. Thank you for being a part of RFYP.

Sincerely,

Ron Schieffer

Executive Director
