

REACH FOR YOUR POTENTIAL, INC.

SPRING 2026 ISSUE

HIGHLIGHTS

COMMUNITY FOCUS

Members report an increase in satisfaction in 2025 with feeling they have choices for activities in the community (+3%). In 2025, the average number hours spent in the community per member were 8 for Day Habilitation, 15 for 24-hour SCL, and 9 for members receiving hourly services.

SAFETY PROGRESS

The agency prioritizes the health and safety of its members. This is demonstrated by a reduction of 53 total incidents in 2025 compared to 2024. Additionally, ongoing staff training, consistent biannual safety inspections, and regular safety drills promote a culture of safety.

PERSONALIZED CARE

Parents and guardians report 100% satisfaction with staff respecting members' rights on the 2025 Satisfaction Survey. Additionally, they indicate staff consistently meet the individualized needs of the members, demonstrating RFYP's strong commitment to person-centered support. RFYP is proud of this finding because it reflects strong satisfaction and trust from parents and guardians confirming services are effectively supporting each member's unique needs.

THANK YOU

"Your dedication to the members we serve does not go unnoticed. Thank you for showing up with commitment, compassion, courage, and an unwavering focus on providing exceptional care. You make a real difference every single day."
